Synopsis

From their humble start in the NFL as an expansion team to their current journey toward becoming one of the hottest teams in the NFL, this handbook spotlights the most compelling and truly great moments in the 46 years of the Atlanta Falcons. Scattered throughout the pages are pep talks, records, and Falcons lore, including the origins of the famous Freddie Falcon mascot, the best place to grab a meal before or after a game, and which famous quarterback the Falcons drafted in 1991 and quietly traded a year later. Some the most critical moments and important facts about past and present players, coaches, and teams that are part of the storied history that is Falcons football are also shared. Fans who bleed red, black, and silver will particularly enjoy reading about some of the more colorful and unique personalities such as Deion Sanders, Jamal Anderson, Eric Dickerson, Dan Reeves, and Michael Vick. Whether a die-hard from the Norm Van Brocklin era or a new supporter of Mike Smith and Matt Ryan, any fan will value this collection of all of the things Atlanta fans should actually see and do in their lifetime.

Canceling the digital order is very difficult to do. Make sure you select paperback if you want the book, otherwise it will be a digital copy.

My grandson who was just stationed in Japan loves the Falcons so I bought him this book to read on the airplane. He loved it.

Gave this to my father in law as a stocking stuffer and he loves it! My husband wants one for his favorite team now as well.

It met every expectation. The person I bought it for is a huge Falcons fan. He has enjoyed the book very much.
