Book Information

Wall Chart: 1 pages

Publisher: ACC; 1 Wal Chrt edition (February 5, 2002)

Language: English

ISBN-10: 1587790165

ISBN-13: 978-1587790164

Product Dimensions: 20 x 26 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 9 customer reviews

Best Sellers Rank: #146,605 in Books (See Top 100 in Books) #17 inÃ Â Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Endocrinology #27 inÃ Â Industrial & Scientific > Science Education > Charts & Posters #55 inÃ Â Books > Textbooks > Medicine & Health Sciences > Nursing > Clinical > Nurse & Patient

Customer Reviews

It wasn’t clear when I ordered it, but it was not laminated (it says, when I look closely, that there are both laminated and non-laminated versions. I don’t recall any question about which I prefer, though that may have been my oversight). When I took it out of the box it had several pretty significant creases in it. All in all, I ended up immediately throwing it out for these 2 reasons - I had planned on putting a laminated version on the back of a door at my office. The picture was as described,

however.

Great!!!!!!!!!!!!

Love this chart. Came quickly.

I used it to help teach anatomy and physiology class and it was very helpful. Came on time and was as expected

Arrived creased and with bent corners. But the information is good.

good material, chart is precise, good enough for a classroom, or a decorative image for a physician room. covers a nice % of a wall

Item arrived on time and within its estimated time frame. Easy to understand and easy to follow. Detailed and clear to read. Fantastic iteam :)

Delivered as scheduled, the poster is detailed enough for any student interested in human anatomy to learn from it.
