Customer Reviews

I Loved this book! I have loved the whole series and was very excited to read Wynter’s War! It did

not disappoint I really could not put it down. I Loved finding out about the different characters in the forest.I also Loved watching Brian and Tori's relationship Blossom.I am sad that for this is to be the last in the Keeper Series it has been a magical place I Love to visit with each book.If you have not read this series I highly recommend that you do it will not disappoint,

I found it interesting that the title character was only mentioned in passing until the last pages. I am hoping the Sprightblood sisters end up being heroines rather than the contrary. We will see. The story continues clean and interesting. I am enjoying this series and will pass it on to the youngsters of my acquaintance.

Great!

The last book ties up a lot of plots and is a good adventure on it's own. There is closure to all storylines. I recommend this final book in The Keepers saga. Enjoy Wynter's War.

It seems like the story is never ending which is good as long as you have readers, u never want story to end

This was a great end to a great series! I loved the characters and how they developed throughout the books. The story line kept my attention and it was hard to put the book down! If you like a good story this is a great book.
