Customer Reviews

"Day Trips is crammed with minivacation ideas that let you roam to your heart’s delight on a shoestring budget."--The Kansas City Star

Need a day away to relax, refresh, renew? Just get in your car and go!Day Trips from Kansas City, 15th Edition, is your guide to hundreds of exciting things to do, see, and discover in your own backyard. Explore places you never knew existed—many free of charge and most within a two-hour drive of the city rightfully dubbed the “Heart of AmericaÃ¢â ¬Â•:Ã Â Do something delicious: Head to Lafayette County for handpicked roadside produce and family fun at the Apple Jubilee.Do something daring: Slosh through slippery mud and clamber over rocky surfaces on the DevilÃ¢â ¬â„¢s Icebox Wild Cave Tour in Rock Bridge Memorial State Park.Do something outdoorsy: Take a boat ride, camp, or fish at the Lake of the Ozarks, one of the MidwestÃ¢â ¬â„¢s premier playgrounds.Ã Â With full trip-planning information, you can make the most of your time off and rediscover the simple pleasures of a day trip.

If one lives in the Kansas City area and would like to get out of town for a day and visit one of the many towns or cities within a twohour drive, all of which have some interesting historical, cultural, or esthetic things to enjoy--including the inevitable antique shops!-- this is a fabulous reference, with a detailed listing of what's worth seeing, the best places to eat, and lodging accomodationsif one should choose to make it a two-day trip. Every city in the country must have interesting towns around it which people never takethe time to see, and this book is a big encouragement to get out of Kansas City and see some of those places.Art Wortman

The book is an excellent resource for planning trips for the Mid-America Miata car club. As with any road trip book it becomes out of date quite quickly. You make your own notes and drive on.I also like the websites because they cut down on some of the going out on site to view the areas. Though I never plan a trip without a pre drive any information on these locations helps in-the planning.A very good book and tool to use and read for trips around Kansas City.Ron

This is simply a must-have for any/all 'doers' in the Kansas City area. I bought this for my father, but I use it just as much as him!

As a new Kansas City resident, I have enjoyed discovering the city. This book has gotten me and my family out for fun quirky excursions out of the city. Map is helpful, as are the websites listed. I originally had taken it out from the library, but have found that I need my own copy.
