This workbook is a great companion to the book, and is perfect for assigning extra classwork, homework, or extra-credit assignments to students. Good variety of exercises, and examples are provided for each. You'll definitely want to buy this if you get the textbook.

Azar has educated generations of teachers in how to understand and present the grammatical structures of English in a practical, effective, efficient format. The workbooks can be used for quizzes and tests if the students don't have them!

For a friend she was happy

Good

Itsn’t what i need and i don’t know how to return it ????

perfect

Excellent, it looks like new!

An excellent teaching aid. Received as expected.
