Giving this item as a gift. I think she will love it. Though I do wish that the pages were a bit thicker.

I love to color

I love anything to do with tigers. I haven’t colored anything in it yet but I love all the pictures turns.

great coloring book, a Christmas present that was very well received

Not what I expected for a coloring book. But it is still a cool book with some interesting designs.

I just LOVE the ideas my imagination has come up with for this book.
