Holt Bien Dit: French 2, Student Edition

I tutor French and I like the Bien dit! series. They offer a lot of tools to get the student to talk and understand the matter at hand. While it’s good for a one-to-one teaching, I noticed that few of my students go through all the exercises and tools that the book offers by themselves. For them it is overwhelming. If they’re forced to do so, then they do learn the data. I’m giving it a 4 because, a student on his own has a rough time going through the amount of materials presented.

Great workbook with lots of activities to help you learn French. We bought this as an aid to the Berlitz French cds that we had already purchased. Well worth the money.

I bought this for a student. I don’t know how to speak/read French.

The Bien dit! series, like so many contemporary text books, is all flash with little substance. The visual lay out is unnecessarily busy, information is poorly laid out, exceptions to rules are introduced somewhat randomly, grammatical progressions are ill conceived, and the choice of many of the

vocabulary words is rather silly. Very poor series.

I needed this French grammar and vocabulary notebook for tutoring and it was exactly what the school required. The notebook came in perfect condition, as promised. Beatrice Muchman

I tutor French and I like the Bien dit! series. They offer a lot of tools to get the student to talk and understand the matter at hand. While it's good for a one-to-one teaching, I noticed that few of my students go through all the exercises and tools that the book offers by themselves. For them it is overwhelming. If they're forced to do so, then they do learn the data. I'm giving it a 4 because, a student on his own has a rough time going through the amount of materials presented.

This was used in French 1--good for review for second year student to refresh grammar and vocabulary. Worth it to have.

Very good method for teaching level French 2
