Well organized and insightful, this guide book moves away from traditional guidebooks to give you the keys to Berlin’s heart. Strong organization lets you identify things to do to fit your mood, and well designed maps help you to find things to do near where you are. Nathalie’s passion towards Berlin is evident, and I highly recommend this book if you have plans to visit.

Great book.Found great vegan restaurants using it.There’s a map for each area in Berlin and an option to view all the interesting places. Each activity type is marked with a different color.
