The reason I gave this book 5 stars is because this book is one of the best books I have read in my ENTIRE LIFE!!!!!!! And that is saying a lot because I have many books on my shelf. And if you were to put all of my library book receipt s together,you would get . A list about,well, I don't know,what I'm trying to say is this is a great,no,awesome book!!!!!!!!! This no doubt the best book EVER!!!!! Good job Jerry and Chris!!!!! Thumbs up!!!! No,2 thumbs up!!!! :)

It's so refreshing to have a kids book that is fun and full of mystery and adventure, but also talks freely about prayer, and the struggles we face being Christians. Even for non-Christians, this gives food for thought on the subject of faith, and is just a really fun adventure. We had a hard time putting these books down, and have read almost the whole series.

My daughter couldn't put it down.

This book is the best book I have ever read!!!!! I love Jerry B. Jenkins and Chris Fabry. I have read the hole series!

Jerry B Jenkins has long been a favorite author of mine. In this newest, my daughter was introduced to his style. This is such a nice readfor young adults as they struggle to make it through those tough years. He gives encouragement to the reader to deal with the daily struggles of puberty as well as courage to get through the trials that life can throw at them. My daughter loved her first Jerry B Jenkins book, and Ilove that I can find her such Heartwarming, clean, family oriented books such as this one..It's so refreshing to have a kids book that is funand full of mystery and adventure, but also talks freely about prayer, and the struggles we face being Christians. Hooray Jerry B Jenkins! You have did it again.

Awesome series for young teens, boys or girls.
