Great book to have on hand for travel around florida1

Great book, fun restaurants to visit with good food. I love the authors humor and personal notes. I have recommended to my friends.

an excellent book, current, 2016, since not all the places in the old books are still in business ! lots of other places to eat at that are very good, but u can’t print them all. that’s why on-line is good also, between the 2 of them, I get my money’s worth !

Every person who loves seafood needs to get this book and put it in your car as you travel around! This is just superb!!! Well written and you will not regret this purchase.

Being a Floridian this book spoke to me and the recipes mixed in with the written word were nice to recollect upon.

The title of the book should have read "A Fewer Of The Gulf Coast---------".
