New product. Never used!

I became a fan of this original group since I bought their first cd about a year ago. Sacha, Benny y Erik are indeed talented and I am sure they will conquer central, south america and Spain with their sound.. I received the ordered cd this afternoon and I am enjoying, dancing and singing along the SBE sound. Where and when to obtain the dvd??

great singers and cool music

I love this Cd. It's great that these old band members re-United.

Excellent
