Synopsis

In a straightforward question-and-answer format, Buddhist teacher Daisaku Ikeda responds to the complicated issued facing American young people. Addressing adolescents as the leaders of the future, Ikeda touches on topics of peace, human rights, and environmental degredation as he urges young people with warmth and understanding to see the great potential they have as the hope for humanity. The book also provides easy-to-understand explanations of Nichiren Buddhism and the benefits of its practice.

Customer Reviews

One of the best books I've read.

This text is highly engaging, motivating, and drives the spirit. As a 28 year old who teaches adolescents, it made me realize how much I need to grow up. I am part of a demographic that encompasses the concept of 20teen. Though this book promotes youth, it is important to live as an adult while maintaining a young spirit.

Outstanding

This book might give helpful encouraging advise but I learned the hard way that the soka gakki is really a cult and I wanted to warn people so that they don’t get hurt by it like me.

Must read item for all the youth.
