Synopsis

Writing a resume that will differentiate one from the thousands of other job seekers vying for the same position can be a daunting task for anyone. With so much appearing to hang on the line of a simple piece of paper, and when you consider the fact that recruiters only spend an average of 6 seconds on a resume; it means you should put more effort into making sure you have a perfect one.It could be one of the easiest things you would have to do in your job application process, especially if you follow all the right steps and put your mind to it. These right steps are the things weÃ¢â ¬â„¢re about to present to you in this book. To make the book really easy for you to follow and understand. WeÃ¢â ¬â„¢ve dedicated each chapter or sections of the book to dissect (talk extensively) on the best ways to write the different sections of a resume. By the time you are done reading, you wonÃ¢â ¬â„¢t find it difficult anymore writing the winning resume that will land you that dream job, whether it is your first application or your 99th. Read on!
