Synopsis

What Does God Have to Say About Money How people deal with money matters to God. In fact, it is one of the most frequently mentioned subjects in the Bible. Numerous authors have given readers their ideas about how they should handle money, but it's time to hear what God has to say. Topics include everything from working, saving, and tithing to how God wants people to treat the poor. All the scriptural references to money have been collected and explained in a clear a concise format. The book's length and focus make it perfect for readers on the go who love the Word of God.

What Does the Bible Say About Money? Everyone seems to have something to say about money: how you should spend it, where you should invest it, how you can earn it. But how do you know who to believe? It turns out, the most trustworthy source of all has a lot to say on the topic. God's Word is filled with passages on every aspect of money, from spending and borrowing to giving to the poor, saving up for tomorrow, and much more. In this book every scriptural reference to money has been carefully collected and organized into useful categories. When necessary, brief but clear explanations are provided, using insights gathered from trustworthy commentaries. Let the Bible's timeless truth about money help you make wise decisions today.

Lin Johnson is managing editor of The Christian Communicator, Advanced Christian Writer, and Church Libraries. She has written more than 60 books, specializing in Bible curriculum, directs the

Write-to-Publish conference, and teaches at conferences nationwide. She lives near Chicago.

Before buying this book, understand that it is primarily a collection of verses which mention money. There are ten chapters and one appendix.The ten chapters are:1. It’s Not Yours2. Making Money3. Content with What you have4. Using your Money Wisely5. Learning about Loans6. Don’t be Greedy7. Giving Generously to Others8. Tithing and Giving to God’s Work9. There’s No Shame in Being Poor10. You and WealthEach chapter contains brief comments, headings, and Bible verses.The appendix is composed of short sections of sermons by Whitefield, Wesley and Spurgeon.Positives: Having the verses in specific chapters and with headings makes it easy to find certain principles. Because the verse are printed out it makes it quicker to read than looking each one up (they are from different versions - apparently because some translations bring the point out in a better way).Negatives: Don’t buy this if you are looking for applications of principles. It is valuable for a reference because the Bible is authoritative. Just don’t buy this thinking that it is something it is not.Other options: If you appreciate this style of resources, I have greatly appreciatedÃ Â Dictionary of Bible ThemesÃ Â by Martin Manser.

A compilation of all the verses in the Bible that talk about money and treasures. The commentary on verses is a summary of what commentators say: if there is general agreement, the book may quote a particular commentator or simply explain the common explanation. However, if there are a variety of opinions about the meaning of a particular verse, the author summarizes the main explanations so you can make up your own mind.The books in this "Everything the Bible Says About ..." series give an overview of Scripture about a particular topic--not as effective for learning and understanding as if you looked up the verses and did a word study on your own, but a good way to learn something about a variety of topics that would be difficult to cover on your own because of time constraints.

This book I really love because it has helped me look at money in a biblical way. Before I read this book, I was not inspired about money and wanted to understand what the Bible says about money. This book is exactly what I was searching for. If you are a Christian and want to know what the Bible has to say about money, then you will find this.This book helped me understand money in a POSITIVE WAY no more negative way!Great book!

Good book. No pretense, no modern day ’fluff’, just truth. I had cancer in 2008 and it feels like the

disease ruined me financially. Just trying to understand God's plan. This book helped.

So, there is a short synopsis in each section, followed by biblical passages. There isn't an explanation of each of the passages, just the section quoted. This isn't very helpful for me. I would have wanted at least a snippet of something like, "this verse is trying to convey blah, blah and blah." Not what I was expecting. I would not recommend.

I liked how the author brought a summary of scripture together on various areas of finance. I would have liked to have read a little more of the author's thoughts on each subject. Otherwise, well done.

I enjoyed reading this book, it motivates to do things differently ;)I appreciate the many scriptures, it confirms Gods words about finances

I learn more about the word "money" in the correct context. I'm giving it 3 stars because in some chapters, I wanted more explanation and didn't get it. Overall, it was a good read.
