Synopsis

Jim Norton is a pervert in the truest sense of the word. The physical equivalent of a tall slug, he pays top dollar for massages with happy endings and is fascinated by shitty sitcoms and fat girls. He is also, at times, racially offensive and morally repugnant. He spares no one in his comedy -- least of all himself. Now, in this outrageous, blisteringly funny collection of essays, Norton tackles the topics that are near and dear to his heart: from public events like the legendary Voyeur Bus incident on the Opie and Anthony Show, which culminated in all involved being taken to jail, or seeking a hug from his childhood idol Gene Simmons, to deeply private moments, including a teenage Jim's embarrassing poetry-writing attempts while in rehab, and his inexpensive sexual experience with an unwashed MILF (a Monolith I'd Like to Forget). His stories are raw, searingly honest in their attention to detail, and most of all, hilarious. Filled with personal photos and nearly fifty candid and uncompromising essays, Happy Endings is one of a kind...and probably best read on an empty stomach. --This text refers to an out of print or unavailable edition of this title.

I'm not sure that I've ever laughed as much while reading a book. Jim adds enough hilarious jokes into every sentence that every story is amazing. The only downside is that the whole book is mostly a stream of consciousness rambling, so it reads like a diary. But a hilarious diary.

Good read. Jim Norton is hilarious

Hysterical!! Not for the sensitive, but this book is Jim Norton at his best (and most raw). This is a comedian who is not afraid to take on the politically correct, and is NOT your typical Hollywood treehugging, Starbucks drinking....(well OK, he does drink Starbucks) idiot. While the comedy is raw, it is also relevant in today's politically correct, "try not to offend anybody," world. Mr. Norton is who he is and he makes no apologies about it. He frequents prostitutes, and does many other act that most people would consider vile. I however, think it is hilarious and makes for a great read!!

If you've read this book and haven't found it funny, then you sir are a fool. The way that Norton describes his experiences in his carrer and personal life, makes me feel better about being a fellow degenerate. Do yourself the favor, pay the ten bucks, read the book and finally come out to the fact that you along with Jimmy Norton enjoy some good 'ol fashion pud-pulling while gazing at a couple ladyboys and having the occasional "masseuse" drop a steamer below your chin for a few sheckles. LONG LIVE CHIP CHIPPASON

Funny

If you're a fan of Norton, you'll undoubtedly enjoy as you will roar with laughter every couple of pages. It's a quick read but welcome departure from the more proper and less 'vulgar' titles I read. As a comic, Norton certainly pushes the line with regards to what some may deem filthy or cringe-worthy yet, if taken way less seriously, his book represents a great comedian writing some of his funniest material on paper and taking it a step further. Familiar with Carlin and Lange's books? If so, grab it and enjoy (phrasing!!!).

HAPPY ENDINGS is a hilarious and occasionally stomach-churning collection of anecdotes by the world's most loveable pervert, Jim Norton.If you've listened to Norton on the Opie and Anthony radio show you already know him both for his debaucherous (and often unsanitary) sexual appetites, as well as for his devastatingly quick wit. This book combines the best of both as 'Li'l Yimmy Norden' deconstructs himself and his twisted sexual fetishes.The book also contains some great anecdotes about Norton's comedic brethren such as big, dumb Bob Kelly, mush-mouthed simpleton Rich Vos and the late, great Patrice O'Neal.

This Jim Norton fellah is an absolute genius.....and a sweet huggable boy.
