## Synopsis

Provides students with tools to identify the problems in heath care. Ã Â Health Care Ethics is aclear, accessible text/reference that explores the full range of contemporary issues in health care ethics from a practicalÃ Â wisdom approach.Ã Â The authors present the fundamental concerns of modern medical ethicsÃ¢â ¬â •-autonomy, beneficence, justice, and confidentiality-Ã¢â ¬â •and then provide analysis, cases, and insights from professional literature to discuss them.Ã Â Throughout, the discussion starts with larger issues or concepts and principles and then focuses on specific problems or complications. Ã Â Learning Goals Upon completing this book, readers will be able to: Identify the problems in health care ranging from end of life issues to testing and research. Develop a more well-rounded understanding of cultural traditions that are not a part of the mainstream discussion of American medical ethics. Analyze the various views on health care ethics. Ã Â Ã Â

## Customer Reviews

Dr. Harold W. Baillie is the Provost and Vice President for Academic Affairs and a Professor of Philosophy at the University of Scranton. He has been a visiting professor at a variety of international universities, including the University of Trnava, Slovakia, the State Medical University in Tbilisi, Republic of Georgia, and Capital University of Economics and Business, Beijing, China. Domestically, he has been a visiting professor at the Yale University School of Medicine, and Ashland University. He is a co-author of the book Health Care Ethics: Principles and Problems, and co-editor, and contributing author, of Is Human Nature Obsolete? Genetics, Bioengineering and the

Human Condition, from The MIT Press. He has authored articles on subjects ranging from healthcare ethics to metaphysics and political philosophy, and currently works as a medical ethics consultant with several local health care facilities. He received his A.B. from Yale University, and his M.A. and Ph.D. from Boston College. Ã Â John F. McGeehan, MD, is the Associate Dean for Student Affairs and Admissions at the Cooper Medical School of Rowan University (CMSRU). Prior to joining CMSRU, Dr. McGeehan participated in the development of another new medical school, The Commonwealth Medical College in Scranton, PA.Ã Â where, among many roles,Ã Â he was course director for The Profession of Medicine in which he taught medical ethics.Ã Â He has also been a course director at Temple University School of Medicine, and was Director of Medical Education and Chair of the Department of Medicine at Mercy Hospital in Scranton. Dr. McGeehan received his MD from the University of Pennsylvania School of Medicine, and completed a residency in Internal Medicine at Pennsylvania Hospital. He created the Ethics Committee at Mercy Hospital in Scranton which he chaired for many years and currently is on the Ethics Committee at Cooper University Hospital where he does ethics consults.

If it wasn't a required text book, no one would buy it. Manipulative figures, clear biases, and insulting to many hard working healthcare workers. The author definitely has a grudge.

This book was just okay....it seemed very one-sided and didn't cover every topic i wanted to know about.

Awesome book. This was required by my school. I enjoyed the read and it was easy to navigate. I am glad to have this book for a reference.

Great book even as required text

ServedÃƒÂ¢Ã â ¬Ã â its purpose but some pages were falling out when I 1st received it

One of the best books I have read in the last six months. I highly recommend it.

Great

Excellent product!! It was great doing business with you :)
