Customer Reviews

Kore Yamazaki is best known as the author and artist of The Ancient Magus' Bride.

I am new to manga, but have enjoyed this series.the style is drawing fits the storyline and the characters, while mystical, have depth beyond what I expected. I look forward to this story going forward and applaud the author for an interesting and entertaining read.

The pace is slow and thoughtful and I am enjoying his rich and ranging take on western mythology. It is basically a quest story with a damaged and resourceful heroine at the center. The side stories and characters add to the depth. However, Kore Yamasaki's art would benefit from a larger format. Plus, I would be able to read the tiniest print without hunting up a bright light and/or magnifying glass.

LOVE THIS SERIES

Love reading this

Love this series so far. It’s got magic and folklore that I enjoy with a touch of that shoujo style I love. I’m looking forward to the anime adaptation.
