Customer Reviews

I have just downloaded this cookbook and looked through it and there is so many delicious

sounding recipes that will improve your holiday but sounds so good for the rest of the year too. Thank you and enjoy your day.

I can’t wait to try some of these recipes. All of Hannie P. Scott’s book have terrific recipes. They are well written and don’t require specialty ingredients. I dislike running out to buy specialty ingredients for everything. Thanks Hannie!

I really liked most of the recipes and that the directions were easy to follow. I also liked that not all the recipes were for Thanksgiving.

This Thanksgiving cook book provided delicious inspiration for me to take my old tried and true recipes that I’ve cooked for years and to elevate them to another memorable Thanksgiving level. Solid instructions... but most of all, inspirational.

Great source of recipes for the holiday. So many are really good and also traditional. Great job Hannie!

This cookbook is well written and while I haven’t tried a recipe yet, I know I will because many recipes look really good. Recipes are well laid out and very easy to follow by the looks of them. I am happy I have this cookbook.

The recipes seem well thought out and delicious. I can’t wait to try them.

You can never have too many recipes when thanksgiving is here. You want to make the family favorites but tired of the same each year. Try these delicious sounding versions.
