Synopsis

Every word counts! An essential resource for all Scrabble players. This major new edition of Collins Scrabble Dictionary is fully updated to include all the words of up to nine letters in the latest official Scrabble word list, and allows players to settle disputes over the eligibility of words. This book includes all playable words of two to nine letters in length, in one easy-to-follow straight alphabetical list. The short definitions, given for every word listed, have been updated for this new edition, and allow players to check meanings of words without having to consult a secondary dictionary. Collins Scrabble dictionaries are endorsed by Mattel and are an essential reference for all Scrabble players, from keen, regular players to families playing with children. Customer Reviews

Every word a good Scrabbler could possibly use; however, it is not a handy reference for playing "Words With Friends"

It arrived earlier than expected, very detailed, love the ribbon marker as easy access to words to verify, and book was in great condition and as dealer described. Way to go and trusted dealers! Thanks and a happy New Year! C.M.

Great reference for scrabble game; however, can be used for other things, as well.One should not

be required to write a set number of words.

Scrabble is a serious occupation and needs an authoritative source so that I can begin to defeat my wife occasionally. This dictionary does the job very well.
