Excellent book on Southern currency. I have yet to find anything that compares with the scope and

width of currency from the Carolinas, Florida and Georgia. All script is pre-Civil War. Absolutely one of THE top reference books in this category.

It is a great book for people who collect obsolete currency. I have the first 6 volumes. I can't wait till the 7th comes out.

Excellent Reference Book on Obsolete Currency contains currency from states that I have no reference for.

Exactly as described! Thank you!

a good book
