Synopsis

A world without UNDERPANTS?!!!When we last saw our heroes, George and Harold, they had been turned into evil zombie nerds doomed to roam a devastated, postapocalyptic planet for all eternity. But why, you might ask, didn't the amazing Captain Underpants save the boys from this frightening fate? Because Tippy Tinkletrousers and his time-traveling hijinks prevented George and Harold from creating Captain Underpants in the first place! Now, having changed the course of human history forever, they'll have to figure out a way to CHANGE IT BACK. Could this be the end for Captain Underpants?!!

Book Information

Lexile Measure: 890L (What's this?)

Grade Level: 2 and up

Customer Reviews

Picking up where Captain Underpants and the Terrifying Return of Tippy Tinkletrousers (2012) left off, Ã¢â ¬Å“this legendary tomeÃ¢â ¬Â• sends Tippy back in time again to counteract his earlier mistakes. So now there are two Tippys. Skip back to the now-redeemed present, in which Harold and George opt to save their pterodactyl pet by using the Purple Potty to jet back 65 million years. ItÃ¢â ¬â„¢s complicated, but pretty soon there are three Tippys of varying size in pursuit of our two heroesÃ¢â ¬â •plus CapÃ¢â ¬â„¢n UÃ¢â ¬â •who invent cave painting (cave comics, to be exact)

to galvanize cavemen for an impromptu army. Pilkey is kind enough to reveal what truly killed the dinosaurs, what began the Ice Age, and, oh yeah, how the universe was created. Everything you would expect from an Underpants book is firmly (spastically may be a better word) in place: a giddy, senseless plot; an invigorating antiestablishment streak; and Flip-o-Rama megaviolence. The big surprise: finding out the grim fate that awaits Harold and George in the future. Not as big of a surprise: volume 11 is coming soon. HIGH-DEMAND BACKSTORY: Really? This is Captain Underpants weÃ¢â ¬â„¢re talking about here. Try a one-million-copy first printing and print, online, and TV adsÃ¢â ¬â •the whole shebang. Grades 3-5. --Kraus, Daniel

"Pilkey's sharp humor shines, and is as much fun for parents as their young readers." -PARENTS' CHOICE FOUNDATION"Combines empowerment and empathy with age-appropriate humor and action" -BOOKLIST"Celebrates the triumph of the good-hearted."-THE EDUCATIONAL BOOK AND MEDIA ASSOCIATION"(One of the) 5 Books That All Children Should Read" -HEALTHY FAMILY MATTERS"They'll (parents) appreciate children laughing as they dive in and page through this old-fashioned thing called a book." -THE NEW YORK TIMES"For every downtrodden fun-seeking kid who never wanted to read a book."-SCHOOL LIBRARY JOURNAL2013 PARENTS' CHOICE AWARD WINNERParents' Choice RecommendedÃ Â -Parents' Choice FoundationThe critics are CRAZY about UNDERPANTS!"A triumph of irreverence." --NEWSWEEK"Call Pilkey . . . the savior of the 'reluctant reader.' " --USA TODAY"For every downtrodden fun-seeking kid who never wanted to read a book." --SCHOOL LIBRARY JOURNAL"Subversively hilarious." --PUBLISHERS WEEKLY"Celebrates the triumph of the good-hearted." --The Educational Book and Media Association"It'll make kids laugh until soda comes out of their noses." --BULLETIN OF THE CENTER FOR CHILDREN'S BOOKS

These books are on the shorter side, but the Ricky Ricotta series is one of a very few series of books my 7 year old, who was a stubborn reader, would actually pick up and read on his own. He loves to read these books to me and tell me all about Ricky Ricotta's latest adventures. I credit these books with encouraging my son's newfound love of reading by making reading fun for him with stories that entertain him - and the few flip book style pages that seem to be incorporated into each book.

Our 4 yo really loves reading this series and has read it several times and even brought it to school to share and trade with class mates. Any book that makes our kids read on their own is worth the

price of admission. The story is silly and immature but that’s what kids love. My son has rad the entire series already.

I got a defective one - it fell apart the first time we opened the front cover.At first I thought it was just a page or two, so took out the tape to repair it & the whole thing fell apart. The pages aren’t numbered, so it’s an impossible task to attempt to put this bok back together. What a mess. we bought a few in this series & this hasn’t happened with the other one we have read....I’m returning it

Our 4 yo really loves reading this series and has read it several times and even brought it to school to share and trade with class mates. Any book that makes our kids read on their own is worth the price of admission. The story is silly and immature but that’s what kids love. My son has rad the entire series already.

I’ve had trouble finding "starter" chapter books for my son who is reading at the right level for them but not ready, in terms of attention span, for a whole page of words with an occasional line drawing. This is the only series I’ve found with exciting, full-color illustrations and short text passages, but at the same reading level as the other, wordier series. The criticism that the plot is the same in all of them is valid, but who cares? It’s not for my benefit; all that matters is that it keeps my six-year-old engaged.

Our 4 yo really loves reading this series and has read it several times and even brought it to school to share and trade with class mates. Any book that makes our kids read on their own is worth the price of admission. The story is silly and immature but that’s what kids love. My son has rad the entire series already.

Of course my son has read all these books. He is 7 and really enjoys them. I think this was the perfect age for him to get into reading these books, he has found the joy of reading. We recently met the author, got this book autographed, and he was the coolest guy ever. My son really enjoyed watching him give a talk and you can tell by his energy that he loves writing books for kids.

My eleven year old son is crazy about this entire series. Recently there was a backpack mishap with his paperback of this book. When I saw that the hardcover, color version was going to be released I knew what I had to do! He was very happy with this, so I’m happy.
