## Synopsis

Introducing a brand new series of Action Bible graphic novels featuring vivid new artwork from Sergio Cariello. Even as God walked through the beauty of His new creation, and breathed life into Adam, His masterpiece ... a warrior-angel gives into his prideÃ¢â ¬â •and commits the ultimate betrayal. Witness Adam and Eve falling into Lucifer's trap, as the battle for eternity begins in this brilliantly presented retelling of Creation, the Fall, and God's promise of redemption.Caleb J. Seeling is a regular columnist for arts magazines and Examiner.com as Denver's Faith and Family Examiner. He lives in Golden, Colorado, with his wife and four children. Master illustrator Sergio Cariello has worked for Marvel and DCÃ Â Comics. He is passionate about spreading the good news of Jesus Christ and is the award-winning illustrator of The Action Bible. He lives in Florida with his wife, Luzia.

## Customer Reviews

Story of Gods' hand in Creation on up to the birth of Abel (son of Adam & Eve) together with warrior/angels Lucifer and Michael the Archangel contesting His plans for the realm of Earth and mankind. Well-formatted for kindle and an interesting retelling that I really enjoyed (I can easily see

how younger folks would be attracted to what many would consider just a comic book, but this is so much more given the subject matter).. Very good book!

This is a great graphic tale of how everything came to pass and how the future events will occur. I'd recommend this to anybody who wants full pictorial representation of the Book of Genesis.

This is a real comic book, not a kids book. It is not what I expected but it is good for what it is.

I am a Christian so I read the bible. I realized how AWESOME/ cool/interesting/epic/enjoyable the word of God actually is. Though the book is short. It this contains an epic story.

This would be great if it were on printed paper. It is almost impossible to read on a Kindle.

Caleb Seeling and Sergio Cariello present the first story leading up to and including Adam and Eve in the Garden.Sergio's art is as amazing as it always is. There are pages (and panels) without dialogue where his art really shines.Caleb Seeling does a great job with the dialogue.This graphic novel is recommended for all ages and I look forward to the next books in the series.

I found this to be an interesting book, however I'm not sure exactly why but it didn't hold my attention for great periods of time! I would recommend this book to my grandchildren and nieces & nephews, someone with a younger and more action filled mind.Godspeed Caleb Seeling....

Exactly as described. Beautiful artwork, nice book. Great way to introduce younger minds to the word.
