Haven’t used it yet but looks like it will be a great asset.

love it

Small, but informative.

As a beginning tatter, I found the designs easy to read and follow. The two angels, in particular, came out very nice. I’ve also tatted several of the snowflakes.

love it

This is an excellent book for beginners and more advanced tatters as well. I am relatively new at tatting and found most of the patterns easy to follow. I love the bell patterns!

It’s hard to stay with the pattern. I think the designs are super but the layout of instructions reads like a book. I like instructions laid out in 1. 2. 3 format. I will probably rewrite them so they are easier to read and keep up with my place.

This booklet offers nice Christmas patterns, my only dislike and reason why I only gave 3 stars is the way the instructions are presented. They are crammed as text and very difficult to follow if not rewritten and reorganized for clear view. Other than that, I enjoyed shuttle tatting for Christmas projects.
