Shipping Weight: 1.4 pounds (View shipping rates and policies)

Average Customer Review:  4.8 out of 5 stars  14 customer reviews

Best Sellers Rank: #59,761 in Books (See Top 100 in Books)  #1 inÃ  Â Books > Travel > Australia & South Pacific > Guam  #2 inÃ  Â Books > Travel > Caribbean > Virgin Islands  #13 inÃ  Â Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > State Quarters

## Customer Reviews

Book by Whitman Publishing

Nice quality. I wanted a large-sized, heavy duty map so that my kids could really work on their US geography while collecting the quarters. I appreciated the reviews that mentioned that the coins won’t come out without damaging the map, we were very careful in putting them in so that they all look good.

Nice product.

I recently ordered 3 of these for my boys so they could have something fun to do while on summer break. Such a GREAT buy! They even look forward to doing chores for some state quarters. Lol

Exactly what we wanted. It’s very sturdy and holds the quarters tightly.

My dad has completed one of these quarter maps for each one of his grandchildren. It’s fun for them to help him with the collecting and learn about each state at the same time.

I’m often looking for birthday presents for 6-10 year olds and found this is a great hit. It’s an age when they are interested in money and it is a springboard for discussion of geography and state facts. All of our young friends will be getting one this year.

A little hard to get the circles out but other than that great product. The only down side is once the quarter goes IN theres no way to get it OUT with out harming the book. Other than that great quality with seemingly no flaws.

Great map
