Customer Reviews

Once again, Jennifer Westall come through with a captivating novel! I read the first "Ruby" book just looking for something new to read. I was immediately hooked. I love the way that the characters have evolved. From a young girl just trying to find her place, to a strong woman who had faced much adversity and still remained true to her faith. This author did a wonderful job of tying up all the lose ends in this book. When I finished book 3, I immediately emailed the author and asked her when she planned on publishing the next book. Abiding Hope was worth the wait! I sat down and read it from beginning to end in one weekend...I just couldn't put it down. If you enjoy a story with a strong, faith filled female subject, this is a wonderful series. Thank you, Jennifer Westall, I can't wait to see what you do next!

This is a must read. One to finish an amazing series to also uplift you in ways you didn't know possible. And two You won't put it down. So much love and thought and research went into this book and it shows us we all need god and alittle Hope to get us threw our days.

Be still my heart! This final book in the series was phenomenal! I waited SO LONG for the conclusion and Jennifer did not disappoint. This is hands down one of my favorite series ever; full of faith, love and relationships, all of which helped me see my life and my creator in a different and beautiful way.

Jennifer H Westall writes incredibly with wonderful stories, I would encourage you to read this set in order to understand everything. I hate the series is apparently ending but i lifestyle way she tied up all the loose ends and shared God's grace and mercy as they basis of the book. If we completely surrender to God our Father, the good things and maybe even a few bad will truly show you what all He gave up to enable us to surrender it all and watch what He has in store for us. Well done Jennifer, you are a wonderful and talented writer, I pray I see more from you! Good luck and He bless you!

Having read the first 3 books in the series, I eagerly waited with great anticipation for this last book in the series and definitely was NOT dissappointed! In fact, it may have been the best. Her character development is masterful, her historical research shines through but the BEST part of Westall's writing is how she encorparates those 2 skillsets with Christian concepts and principles. My own faith has been challenged to grow along with her characters and I'm spreading what I read

to others I meet. I'm wishing I had highlighted certain passages but I was too busy in the story so for this book I'll take the time to go back and search for them - that's how impressed I am. I'd like to develop devotions from a few of her main themes about prayer and surrendering all.Willl be looking forward to falling this author in the future.

This is the last book in the Healing Ruby series by Jennifer H Westall. She really outdid herself on this last book. It was a very inspirational book. Once I started I couldn't put it down waiting to see what Ruby and Matthews life would bring them. You can't read this book without it changing your life. It was very uplifting and very much faith based. Jennifer is my favorite Author and I can't wait to see what she writes next

This book was number 4 of the healing ruby series and by far the best, this book is both inspiring and life changing it is about hope and faith and trust and surrender she is an amazing Christian twitter and this book along with the rest of the series has impacted my life in ways I can't even explain and it has forever changed my life I encourage readers of all ages to read this book .as I am encouraging my teen grandchildren and children to read this book is not just a story it is simply transformational in ever sense of the word !!

An amazing book by an outstanding author! I have loved the Healing Ruby series. Jennifer writes in such a faith-filled way. The stories not only capture your attention but your heart and soul as well. I can't wait to read the next book and she just released the newest book in the series! I felt so caught up in the characters and story lines. I didn't want it to end. This series is full of faith, prayer, life experiences, hardship, waiting on God,, and most of all standing for and surrendering to the Lord. You'll be inspired and fall in love with this series. They are a blessing.
