Synopsis

This indispensable guide offers all the information you need to get the most out of wildlife watching in East Africa. Accessible and beautifully illustrated, this revised secondedition of Bradt's much praised guide to East African Wildlife will appeal toboth the first-time visitor and to the serious naturalist seeking a compactvolume to carry around. Written by Africa expert Philip Briggs, this guide provides a colourful overview of theregion's variety of large animals together with information on their habits andhabitats. The book also provides an excellent introduction to the region's lessheralded variety of smaller creatures including 1,500 bird species andbutterflies. It also makes a great souvenir. The wildlife of east Africa is themajor visitor attraction of this region, thanks to the legendary game reservesof Serengeti and the Maasai Mara.

A handy beginner's manual to the region's varied creatures. (Wanderlust)Bradt Travel Guides simply have the best wildlife coverage of any of the popular guide books. (BBC Wildlife)...a handy one-stop handbook to the region's fauna. (Travel Africa)

Philip Briggs is the world's leading writer of travel guides to Africa and an environmental writer specialising in Africa. Born in Britain and raised in South Africa, he started travelling in East Africa in 1986, and his first book, Guide to South Africa, was published by Bradt in 1991. Since then he has divided his time between exploring and writing about the highways and byways of Atrica. He is the

author or co-author of many Bradt guides and has contributed to numerous other books and magazines.

Fabulous book. I was going to leave it in Tanzania at the end of my trip. But I liked it so much I decided to keep it. Photos are great and the narrative is very helpful
