Synopsis

Part of the renowned Geocenter Euro Country Map series, this updated map of Russia: Moscow to St Petersburg is both informative and easy-to-use. This cartography is ideal for planning routes through the country and includes street plans of Moscow and St Petersburg. This updated cartography now features grid references in the margin to aid quicker orientation. Additional colour changes to the mapping make transport networks clearer than before. With a scale of 1:750 Thousand and a legend in 8 languages, this is a comprehensive and indispensible road map.
