Customer Reviews

This book is useless if you are a first time visitor to Baltimore. It is just lists of restaurants, shops and other venues with their names, addresses, telephone numbers with no additional information. Some of the places had gone out of business and this guide claims to be for 2015. I visited Baltimore for the first time in March of 2015

Very disappointed. ..it’s like a phone book. There are no pictures or maps or interesting descriptions. Do not waste your money. I travel often and this is the worst travel guide ever.

This book is nothing but a list. It’s not worth buying in my opinion.
