Synopsis

From lighting the menorah on Chanukah to standing under the chuppah at a wedding, every Jewish ritual reflects a time-honored practice passed down for generations. With a foil-stamped cover and a ribbon marker, this elegant volume shares the beloved stories and traditions behind Jewish celebrations, from year-round holidays to once-in-a-lifetime special events. Featuring lush illustrations that capture the heart of Jewish tradition as well as a glossary of important terms for each holiday, this little gift book is a treasure to be shared at any occasionÃ¢â ¬â •from bar and bat mitzvahs to Passover seders.

Customer Reviews

Ronald Tauber is a writer living in New York City.Yelena Bryksenkova is a Russian-born American illustrator and fine artist. She lives in New Haven, Connecticut.

This book is extremely well done. It is particularly helpful to people who may not be of the Jewish faith but who have Jewish family or friends and who would like to know more about Jewish celebrations, customs and holidays. What makes the book interesting is that it discusses particular events in the Jewish calendar providing a discussion about their history, how they are observed and celebrated and providing biblical references along with a discussion of relevant vocabulary. It does this in a compact volume which is richly illustrated and written in an easily readable style .

This wonderful book may be small in size but it is chock full of the kind of information that families

crave to make each holiday so much more pleasurable. Parents can use this book to answer their children’s good questions. All readers will love the beautiful illustrations. This book also is a wonderful gift to give at any time of the year.Bob Friedman

This is a beautiful little book. Well conceived and written, and also having a pretty gold foil embellished cover.

Great book for anyone - Jewish or not - looking to learn more about Jewish traditions. The book is introductory and yet manages to cover lesser known holidays, traditions, and foods without feeling overwhelming. It is a great coffee table book and perfect for a present for someone looking to learn more about Jewish tradition in a casual way.

This is a great "little book" for those who are new to Judaism, as well as those who seek a short, readable guide to Jewish ceremonies and celebrations.

Love this simple book; I bought one for myself and my grand-daughter; she is enjoying it and she is gaining a clearer understanding of what we do and the why’s.

Nice and concise. A handy reference for those who would like to know a little something about Jewish observances.

The illustrations are lovely. I am giving it as an extra little wedding gift as it perfectly describes Jewish traditions for a newly married couple. I bought several copies.
