Synopsis

From the author of the classic MomÃ¢â ¬â„¢s House, DadÃ¢â ¬â„¢s House, the essential guide for kids on how to stay strong and succeed in life when parents separate, divorce, or get married again.Isolina RicciÃ¢â ¬â„¢s MomÃ¢â ¬â„¢s House, DadÃ¢â ¬â„¢s House has been the gold standard for inspiring and supporting divorcing and remarrying parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. MomÃ¢â ¬â„¢s House, DadÃ¢â ¬â„¢s House for Kids is packed with practical tips, frank answers, easy-to-use lists, Ã¢â ¬Å“train your brainÃ¢â ¬Â• ideas, reproducible worksheets, and things to try when words just wonÃ¢â ¬â„¢t come out right. Kids will learn how to: Ã Â Deal with parents living apart, schedules, and dueling house rules Ã Â Settle comfortably in one home or two Ã Â Stay out of the Ã¢â ¬Å“miserable middleÃ¢â ¬Â• when parents fight Ã Â Manage stress, guilt, change, fear, and other feelings Ã Â Stay connected with parents, relatives, and the Ã¢â ¬Å“rightÃ¢â ¬Â• friends Ã Â Appreciate the gifts (and deal with the gripes) of their new version of family Ã Â Feel better FAST! Kids canÃ¢â ¬â„¢t get their parents back together, but they can help themselves get stronger and go on to succeed in life. This book shows them how.

Isolina Ricci, Ph.D., whose breakthrough work resulted in Mom's House, Dad's House, is an internationally renowned family expert, lecturer, award-winning mediator, and licensed family therapist who divides her time between consulting for family courts and working directly with families. She is the Director of the New Family Center in northern California.

I am a psychotherapist and use Mom's House, Dad's House for parents, and this is a great addition to work directly with kids about their parents divorce and going between homes.

Young children who are experiencing the difficult adjustment to their parents' divorce are assisted with this book. I have used it in my therapy practice, and it is very helpful.

Ok, but not overly helpful for kids because it really only addresses the physical aspects of having two different homes. Very simplistic. Not something the kids are going to want to read over and over. Reads more like a baby's board book. Not sure its kids at that age need a book to help them adjust unless it was free.

Great book to bring yourself back to where you want to be if your divorce is getting contentious.

Yes! Nicely written this will do the trick! Kids will pass it on to friends!

This is written to children. As a parent, I loved it. My kids are too little to read, so I read it, in hopes to have more insight on what children may be feeling, some patterns to look for, and how to help. This is a very thoughtful book.

I enjoyed reading this book after my separation. I gave it to my two sons who read it to help them understand our family situation and their new house with their dad. It was helpful for them.

Great information for older children. Much needed in this blended family society.
