Customer Reviews

"This book will enlighten the student interested in this field as well as provide benchmarks for the seasoned veteran. Woolls's thorough blueprints should be used as the textbook in every school media library course and be on the professional shelf of every KÃ¢â ¬â œ12 school library media center." - ARBA

Blanche Woolls is director and professor emerita, School of Library and Information Science, San Jose State University; and past president of the AASL and IASL.Ann C. Weeks, PhD, is associate dean for academic programs at the University of Maryland's College of Information Studies (CLIS). Sharon Coatney is senior acquisitions editor for Libraries Unlimited and was a past president of the American Association of School Librarians, a former councilor-at-large of the American Library

Association, and was a teacher and school librarian in Kansas for 30 years.

The School Library Manager is an essential starting point for those interested in becoming a school librarian. The text is easy to read and walks the reader through key aspects of working in a school library.

VERY useful and helpful, even if you’re not taking courses.

Easy to understand and includes many extraneous resources, but could use more graphics to liven up the reading a bit.

Easy read and great info

Good book

Great condition, good content.

Yes....perfect for class

Book arrived promptly and the first time I opened the cover and the binding tore on the book before I ever read the first chapter.
