From revealing how casting found the stars and the photography team scouted key locations, thoughts on where the Dark Tower can go from here, the book is organized into five parts. -Part I: The Path to the Tower discusses the origins of the saga and its thematic and cultural influences. -Part II: The Gunslinger and the Man in Black profiles the two characters as two opposing forces. -Part III: Mid-World is a journey through the bizarre wasteland of interdimensional detritus that is Mid-World. -Part IV: Keystone Earth might be our Earth, but the Keystone Earth of the Dark Tower universe is also rocked by quakes and stretched thin by interdimensional stress. -Part V: The Dark Tower is the wrap-up section collecting insights from the filmÃ¢â ¬â„¢s major players, sharing their favorite memories and looking back on the journey that led them to this point. Over three decades ago Stephen King introduced readers to Roland Deschain, the last Gunslinger. In 2003 King wrote the last of seven novels in the Dark Tower series.
