This is a lovely Christian-based coloring book based on verses from the King James Version of the Holy Bible. I've used many translations for Bible Study over the years but I always recall the verses I memorized as a child from this beautifully written translations. While turning through the pages, I recalled years of Sunday School and Bible School and working so hard to remember the words. It is these verses that I memorized so young that are the ones that I can recall instantly to mind, even so many years later.Many of my favorite verses are included and every page has both a designs and a verse on it. The designs are background to the verse. The format is a rectangular area in the middle

where the verse is located (in what look like hand-written text) and the design image sits behind it. The designs are generally repeating patterns but the verse is what is foremost in this book.This is what I found in and about the book while testing and coloring in it:62 Scriptural Designs based on the KJVDesigns printed on one side of heavyweight, perforated, smooth and white paperGlue BindingDesigns merge past perforations into the binding areaAlcohol-based makers bleed through the pageWater-based markers, India ink pens, and gel pens do not bleed through the page though gel pens require a longer than usual drying periodColoring pencils were mixed. I had good results with waxed-based soft lead pencils and hard lead pencils in general. Oil-based soft lead pencils laid down good color but did not blend well. Hard lead pencils did not dent the back of the page.I am very pleased to have a King James Version coloring book at last. I have enjoyed so many new Christian adult coloring books over the last year but this was a type that I was missing. I look forward to finding more such special Christian coloring books in the future.

I received this book today. I love the encouraging and well illustrated verses it has in it. The paper is very good quality. It is only on one side so you can use markers. Would suggest you put paper between in case of bleed through even though paper thicker quality.I received this quickly and really like it. However due to packaging many of the pages in lower right corner bent. That would be due to packaging. Posted it in packaging review.I would recommend this book, lots of beautiful, thought provoking pages to color.

62 beautiful pages of Scripture. I found it really relaxing :)

This is a beautiful book. The cover is absolutely gorgeous! The pages are nice and thick, one-sided and perforated. Sharpies and Bic Mark Its do bleed thru, so you want to be sure to put something behind your page if you leave it in the book. A wonderful way to relax and think about God’s word!

So glad I chose this one. Pictures are beautiful. Verses are so nice to dwell on while coloring. Spaces are tiny so you will need gel ink or pens. Good thick paper does not bleed through and perforations to easily get the page out when done. My first coloring book and I love it!!

I’m so glad someone made a KJV coloring book. The scriptures are nice and the designs are great for stress relieving coloring. Highly recommend!

I love the verses chosen in this book. The drawings are pretty. Some of them are tiny details in the spaces to color, so if you don't like details this book is not for you. If you like intricate coloring, you will love this. I believe some of them would be worthy of framing once colored.

Nice. Some of the pictures are overly busy. I color one then SOAP the verse on the other side. It is only printed on one side. The paper is decent. A little thicker than regular paper.
