I love this Bible! The shipment came before I expected it. The illustrated versesmade the experience reading this Bible more enjoyable and it caused me to want to read it more often than I usually do. The cover was soft and attractive. I had alot of people asking me where I got it.

Beautiful Bible with colorful illustrations and lots of room in the margins for taking notes.

Beautiful bible, would make a great gift! Text is a little small so better for a younger person with good eye sight.

This is a beautiful Bible, with nice wide margins for notes as well as art. The artwork and it is full-color and gorgeous. I love the cover too

I love my bible to pieces!! After reading many reviews and lots of research on different bibles, I found the One! You won't be disappointed!

I most definitely love this BIBLE!!!

If it had red print for Jesus, I would have given it 5 stars. I love it otherwise!

A beautiful bible. I have given several as gifts and every recipient loved it and has cherished it!!
