Customer Reviews

MERYL DONEY is a freelance writer and editor. She has written more than 50 books for both adults and children. Her most recent publications include The Art of Prayer (Lion 1999).

What a great short little book that accurately shows the process of translations and how the Bible came to be in our home! It gives enough detail for a child to understand how God inspired writers and used translators. Not too deep!

This book is a great book that explains the origins of Bible translation and how the Bible came to be in the English language. This bookwould be enjoyed by any child, ages 9--13, who is interested in how the Bible was written, compiled and published. This is a great gift for children, very reasonably priced.

Great book, easy to read, but are some timeline discrepancies based on what I believe. For example it talks about cavemen 30,000 years ago and as a Christian I do not believe that the world is 30,000 years old, nor do I believe in Cave men.

I was pleasantly surprised with this book. It is part of an Ann Ward homeschool curriculum book list. The format is unique, in that it reads like stepping stone that lead into journeys of historical eras. The information is multilayered, allowing chunks of learning at different sittings or levels of ability. Throughout the "journeys" hands-on activities are tucked in, like small treasures found here and there. I highly recommend this book.

This little book answers many of the questions both confirmands and adults ask as they come to a time of church membership. It is easily usuable in all denominations. The language is easily understood and yet down not talk down to the reader. I recommend this book highly.

This lays out the whole story and easily explain why you can put your trust in the Bible.

Perfect for studying

We bought this book to go along with bible study.
