Synopsis

The Ten Commandments serve as the building blocks for the Christian life, so it’s never too soon to begin teaching them to young children. Simple language, kid-friendly illustrations, and easy-to-understand examples explain God’s Rules as they were written and how they apply to a youngster’s life today. In the back of the book, there’s a "Dig Deeper" section so kids can discover why God made these rules and how they can best follow them. What’s more, a fun quiz at the end of the book lets readers see how much they’ve learned and gives grown-ups an opportunity to discuss how following these rules brings all of us closer to God and our neighbor.Ã Â There is also a "Words and Their Meanings" section which familiarizes children with words in the book.Ã Â Truly, this is a book that helps parents, homeschoolers, teachers, grandparents, and friends introduce their little ones to the Ten Commandments in a way their children will not soon forget.

I read the background to my 2nd grade PSR school class to introduce the 10 commandments. It was well done and the children enjoyed the presentation. The commandments were easy to understand for kids and very user friendly. I did not give this book 5 stars because the word "Commandment" was changed to"Rule" and I think this downplays how important the 10 Commandments are to our lives. God created the commandments and people create rules.

Easy to understand for my 3 yr old but still fun for our 6 and 11 yr. old.

great book for preschoolers, love how they explain the 10 Commandments. Easy to include with Sunday School curriculum. Even great for my grandsons

A wonderful book for small children written in a way they can understand what the 10 commandments mean. Has a great section after the book to help question the children about their understanding. Great to use in Children’s church situations.

I thumbed through the pages of this book and it appears to be what I want for my Sunday school children

LOVED IT!!!FOR ME AND MY KIDS!!!LEARNED SO MUCH FROM IT!!!GREAT STORIES AND EASY TO FOLLOW!!!WILL BUY AGAIN!!!

Teaching my daughter the 10 commandments at age 3. I think it is a good age to become aware of God’s law, then eventually teach her more about God’s grace through Jesus Christ.

I can see this book being the basis for biblical discussion with my son, who is now two, as he grows older.
