Very nicely made. The binding is decent genuine leather (i.e. the third layer of split leather, which is better than bonded, and standard for bookbinding), which I measured at 0.23 mm, excluding affixed backing. The gold elements on the cover are embossed, and there is a nice gold braid design around the inside edge of the cover. The pages are onionskin, and there are several heavier blank pages for written notes - all gilt-edged. The spine is properly ketel-stitched and has six colored ribbons (red, green, gold, purple, white, black - in order) for bookmarking. In size, the pages are a little smaller than my KJV, and the whole book is a little thicker than a study Bible. Weight is about the same.In terms of content, it contains the BCP, Psalter, Revised Common Lectionary (inc. Daily Office Lectionary), and the 1982 Hymnal. Superb!

This is exactly what I ordered and it came fast. Funny note: My daughters name is Ruby and the

book is used and has a engraved name on the front as many of these books do. It came and the name on the front just happened to be Ruby as well. I took it as a sign and have been happy to use it and be able to pass it on to my daughter!

I was just a little disappointed in that the paper while NOT onion skin thin, it is a bit too thin, there is a lot of bleed over from the opposite side of the page. But much better than your standard personal size BCP.On the positive side, the font size is at least 12 pt. and very easy to read, the rubrics are much easier to read. The BCP about 5 lbs. and easy to balance. The hymnal is the complete and full 1982 Hymnal you find in the pews. How super it is to have both together, but when using hymns 650 to 780 the book becomes a little hard to hold. I have neuropathy in both hands and so this is a problem for me. However, I give this most handsome and user friendly BCP an A+. If you need a new BCP, I highly recommend this one. A Super gift to a loved one or good friend. However, since I bought this Prayer Book you can bet, TEC will be changing it very soon...always happen, anyone need a 1928 BCP? Just kidding I would never part with my old Prayer Book.

Gorgeous and love it. It feels so good to hold when I pray. Thick but suple.

Quality book

Absolutely love this book! As a choir member, juggling the Hymnal, Book of Prayer and another folder for individual music pieces was difficult. This is so much easier to manage and the ribbons even allow me to bookmark hymns! The book itself is beautiful and the price is much better than what local Christian bookstores charge. I highly recommend it!

A quality issue of the 1979 Book of Common Prayer and 1982 Hymnal of the American Episcopal Church.

This prayer book and hymnal combination helps us new Episcopalians with the "pew aerobics" required by switching back and forth between the Book of Common Prayer and the Hymnal in rapid succession during the service. The leather cover is soft, the pages are easy to turn, and the 6 built in colored ribbons help us find our place in a flash. This book is perfectly made. It is a beautiful book and arrived in excellent condition. I had my name engraved on the front of the book upon arrival.
