Customer Reviews

I am fairly new to crocheting so I thought this would be fun to try. I have never done amigurani before. I have just about completed the first doll and it is coming together so fast. My four-year-old daughter is so excited for all the clothes she will get to dress her doll in. I let her pick which doll she

wanted me to do first and the colors for the outfits. I would highly recommend this book.

This book is fabulous! I cannot believe the amount of clothes, shoes, underwear and other accessories it shows you how to make for the several variations of the dolls. This book was well planned and thought out. A fun project for a special child. One of the best books I have seen for dolls. Most items require dk weight yarn.

Easy to read patterns that work together quickly to make adorable projects. I will buy more patterns from this publisher.

Arrived quickly. Patterns work up fast and easy. This is my first time making dolls and clothing. I modified several patterns to suit my taste, and am pleased with the outcome. I made one doll with hair strands instead of the crocheted hair amd it is so time consuming i do not know if i will do so again. I recommend this book

As you can see, these dolls are so adorable. Shipping was extremely fast, patterns clear and understandable. Thank you!

I love this book. The patterns are easy to read and follow. The end product looks as it should. If a dollmaker beginner or not great book for your library.

Just what I have been looking for - a doll with lots of outfits that are easy to put on and take off ...and shoes too! Love it! So cute!

Love this book, the dolls are slightly smaller than the huggy dolls, these dolls are adorable. . Many patterns, great instructions, I recommend this to anyone who is considering a doll, or needs tips on faces, hair etc. Also, the doll clothes patterns are easy.
