Synopsis

Take HOLD of your financial future! Learn how to obtain financial freedom through real estate. The final book in Gary Keller's national best-selling Millionaire Real Estate Investor trilogy teaches the proven, reliable real estate investing process to achieve financial wealth: 1. Find - the right property for the right terms and at the right price. 2. Analyze - an offer to make sure the numbers and terms make sense. 3. Buy - an investment property where you make money going in. 4. Manage - a property until it's paid for or you have a large amount of equity to leverage. 5. Grow - your way to wealth and financial freedom.

Customer Reviews

Good read for beginners to hit the ground running.

Good primer for investing in property. All the basic rules one needs to apply to making a sound decision on when to buy and when to walk away.

I really liked the straightforwardness of this book. I enjoy educational books and this was shorter sweeter and to the point more than others; it didn't have tangents.

Big help for wanting to rent homes!!!

This was a good book that identifies key principles to investing. More of a value investing model. Very well written.

Great starter book. Gives you ask the angles of the real estate game. The website inside the book for property analysis is worth the price of the book alone.

Excellent book for novice investors. Authors do a great job of breaking down the content and the steps necessary to get started. Easy to understand and gives multiple perspectives to consider which helps you decide on the best option for you. You won't be disappointed.

Another great book by Gary Keller et al. Easy read. Nice summaries at the end of each chapter. High "meet" content. Not a lot of "fat" or fluff.
