We love this book, I purchased it for my 3 yr old. We read it every night, its a great way to communicate the gospel. I would make a few changes about how she talks about we need medicine, which we do sometimes, I'd opt for food or other necessary items, otherwise its great. I am very glad I purchased it and am recommending it to friends & family.

We trained up our children in the Biblical "way that they should go" and want to make their job with their own children a bit easier than we had it. Giving them good books to use with their children is one way to accomplish this. Stormie Omartian's book explains one of a child's most important decisions they can ever make in a way they can understand and grasp on their level.

perfect little book

Excellent book, great for kids of all ages! Wish I had this book when my daughters were young. This book would make a great shower gift for new parents and new grandparents. A must for all church libraries.

Absolutely love this book because it shares in such a simple way what it means to become a Christian. This is a gem because this is the first children's book that I have found that shares the gospel in a way that children can grasp. I highly recommend for your children and grandchildren!

I have 3 kiddos from 2-6 and they all like this book, the 2yr old and 4 yr old pay more attention to the illustrations, while the six year old pays more attention to the story. It is a good way to explain why we pray and how children don't need to wait for their parents to talk to God. We read it at least once a week.

We ordered this for our five year old to dive a little deeper into asking Jesus into your heart. There is a prayer you can have your child pray at the end of the book, but I made sure I let her know that

when SHE is ready we could pray the following prayer. Great book!

Arrived fast and was as expected nice book would buy again from this seller
