Synopsis

(Music Sales America). This recorder course by John Pitts is written for 7-11 year olds no previous knowledge of music or recorders is necessary. It is carefully graded with clear explanations at every stage, enouraging children to develop musical skils as well as recorder techniques. Book 1 introduces the first six notes through a mixture of well-known and original tunes. By the end of the book, all the basic rhythm patterns have been covered.

Customer Reviews

Price and delivery great. However, as an adult beginner, not able to read music, it was limited, having all childrens’s songs not known to me. I couldn’t understand the needed rhythm,

Bought this for my 87YO mother, so she could see if she would want to proceed with similar training for the children at church. She loves the variety songs in the book. And getting + mark from MY mother is pretty difficult!

If you are beginning to learn to play the recorder, this book is for you. It teaches the basics and is easy to understand and follow.

Received right on time. Very helpful for my class. Thank you!

This was a gift for a 8 year old. He loves it and is enjoying learning how to play it correctly.

Very good book

The book is colorful and of good material but the songs are just... annoying!

Works fine
