Customer Reviews

This is one of my favorite coloring books. Gertrude is so much FUN to color. I got the comic book too and enjoyed it. Plus it really helped with choosing colors.

This is by far my favorite coloring book I've ever had. And I have had a Lot! I hope they make more like this.

This coloring book is just as much fun as the comic book!

This coloring book goes along great with the story book I love them both! It's so much fun to color this book!

Definitely one of my favorites. Images are only printed on one side, pages are able to be ripped out and amazing drawings. Only thing I need now is Vol 2.

the coolest book ever

Awesome coloring book the pages are bright and detailed. The illustrations are awesome the is plenty to color with the entire rainbow. The scenes are gruesome but great looking.

Cool cartoon drawings!
