Although indelibly associated with Christmastime, decorative wreaths aren’t limited to any particular season or holiday. Platt, the author of Flower Crafts and owner of a flower and herb farm, devises a collection of elegant arrangements here, nearly any one of which would bring an air of festivity to any locale in any season. Her constructions range from the simple impact of a Della Robbia Wreath made with whole dried citrus fruits, artichokes and sala leaves, to wedding wreaths for a bride and her party, using dried flowers and herbs. There are also other theme wreaths for special occasions and such holidays as Valentine’s Day and Halloween. The collection of Christmas-related arrangements includes one made with fresh greens, dried berries and flower heads that doubles as a bird buffet; another, named Ice and Snow, uses preserved juniper, pine cones, clusters of bleached baby’s breath, white ribbons and plastic icicles; a traditional fresh wreath is composed of holly and ivy. Platt offers tips throughout (e.g., cheap ribbon will cheapen the entire effort) and gives precise, easy to follow instructions that make her book a boon for any season. really like this book, it gave me some great ideas.

Some great ideas. I've already cut some branches to make wreaths this winter.

Very impressed with the book. Easy instructions great pictures.

I PURCHASED THIS BOOK TO MAKE SURE IT WOULD COVER EVERY POINT I NEED TO KNOW ABOUT MAKING WREATHS. I WANT TO MAKE THEM FOR INDOORS FOR EVERY SEASON ...I COULD NOT BE MORE EXCITED FOR THE PROJECTS OR THE GREAT BOOK. SHIPPING WAS IMMEDIATE!! I COULD NOT BE MORE PLEASED WITH MY PURCHASE!!

It is a nice book with a few good ideas, but not exactly what I was looking for. Some of the wreaths were not my style.However the book is a great source more for someone who likes the country look and style.

This is a very nice book with easy to follow instructions.

It is a beautiful book with lots and lots of pictures and beaucoups of different wreaths to make. Directions are clear. But most are too ambitious for me.

I've been making wreaths for the last 25 to 30 years. This wasn't one of my favorite books for inspiration. The designs reminded me of what I'd done in the 80's and was I ever glad to be out of the 80's -- whew, what were we thinking with big hair, those clothes -- oh don't get me started down that memory lane.I actually donated the book to a charity organization within a couple of days. That doesn't mean someone else won't like it, though. It just wasn't for me.
