Bestselling author Janet Evanovich is the recipient of the Crime Writers Association's John Creasy Memorial, Last Laugh, and Silver Dagger awards, as well as the Left Coast Crime's Lefty award, and is the two-time recipient of the Independent Mystery Booksellers Association's Dilys award. She lives in New Hampshire.

I love Evanovich and her character - which do seem to overlap from her early days writing romances, to the Plumb novels and then back working with others on romances. They are funny

and have quirky characters. Granted, they fall in love within two seconds, but that's okay. This set is an excellent deal with three books combined. I think the reader - Lorelei King is possibly the BEST reader of any of the audio books I have ever listened to. She is amazing and its hard to believe she does all the character voices so well - including the men.

Interesting, definitely stories only Evanovich would come up with.3 books in one box , about 20 CD's.good quality

Fun and witty from beginning to end. Great cast of characters. Janet Evanovich' writing is a fun escape from everyday life.

On my way to and from work, I listen to books and Janet Evanovich's "other" books Plum or Between the numbers, provides the perfect level of entertainment.

Janet has done it again! This was very good and I especially enjoyed the CD version because I could listen every morning on my way in to work. Excellent!

Easy to listen to when driving long distances.

I has read these books in the past, and was a little disappointed in them. I did not like them as well as the Stephanie Plum novels. However, with the audio format, they are so much better. Entertaining, fast moving, and quirky.

Loved these books.
