Synopsis

Lee Friedlander (b. 1934) is known for his candid portraits of people in their everyday environments. This volume in his Human Clay series of books highlights a lively collection of FriedlanderÃ¢â ¬â„¢s photographs of celebrationsÃ¢â ¬â •both public and private. From intimate gatherings to boisterous street parades, costume parties to black-tie affairs, Friedlander captures the spirit of these events and the ways in which they are commemorated. He documents surprisingly intimate momentsÃ¢â ¬â •couples stealing a kiss, friends engaged in spirited conversation or laughing over drinks, guests lost in music on the dance floor. The images also feature a number of celebrities, including actors Ingrid Bergman and Sidney Poitier, enjoying the revelry at galas and parties, such as one at the famous SardiÃ¢â ¬â„¢s restaurant in New York.Ã Â Ã Â
