REBECCA SJONGER is the author of twenty-five non-fiction books for children and young adults, including "Life in the Far North" and "The Life Cycle of a Bat", as well as other "Resource Links of the Year" selections. She lives in Huntsville, Ontario. --This text refers to the Library Binding edition.

Son loves exploring the continents with this series

Exactly what we were looking for to read about the real world with our very young grandchildren. Beautiful pictures, too.

The author clearly needs to have someone with a knowledge of biology and geology proofread these books. There are several instances in this book where the author incorrectly uses terms and gives definitions of words which are not at all correct. Overall the series is good, I just wish the

author was not presenting incorrect information to our children which I now have to reteach.

delivery on time receive it next day . Really a solid, sharp (very sharp!) product. My old serrated product disappeared somewhere, but I wish I'd bought this one years ago. with the best service . very recommend . my family need it ,
