Perfect gift for my younger brother - nice quality

Always a good calendar, easy to read and nice to have on the wall when those few times you need a physical calendar to look at while on the phone

Great calendar. Not all of my son’s favorites but he likes it.

I bought this for my nephew, and he loves it!

Great product at a good price!

Great high quality pictures. This is one of those rare calendars that has enough room to write what you did (workout progress etc) each day. I’m just finishing up my 2014 version and love it.

Calender was shipped fast and it is a nice one.
