## Synopsis

Approximately one percent of the population develops schizophrenia during their life-time. This chronic, severe mental illness can be devastating for patients and their family and friends. Whether you’re a newly diagnosed patient with schizophrenia, or a friend or relative of someone suffering from this mental illness, this book offers help. Completely revised and updated, 100 Questions & Answers About Schizophrenia: Painful Minds, Second Edition gives you authoritative, practical answers to your questions about treatment options, sources of support, and much more. Written by an expert on the subject, and including a foreword by parents of a person with schizophrenia, this book is an invaluable resource for anyone coping with the physical and emotional turmoil of schizophrenia.
