Customer Reviews

This well worth the wait book by LaShonda Bowman is a lesson in honesty, forgiveness and restoration. God promised the believers restoration as part of the Grace package and in this book we see these tenets of grace on full display. I loved everything about this book, the characters, the

storyline and even the tears I shed while reading about the trials and ultimate triumphs to reach a place of being restored. Thank God that your health is restored LaShonda which allowed you to share this your latest work with us. To God be the Glory.

This is one of those books that you don't wanna put down until you finish, and even then, after you have read the last word, you wanna read more. LaShonda Bowman has definitely become one of my favorite authors. I love her ability to keep the characters real, the plots suspenseful, and me unable to guess the plot or predict outcomes. I also love how she implements truths from the WORD of God (the Bible) into her stories. If you are looking for an excellent book that will leave you hopeful and encouraged, this is it.

I enjoyed the realistic read. This book was moving and kept me guessing so much I refused to sleep until the end. If you are looking for a good read that keeps God at the center this is it! I may read it again just to make sure I didn't miss a detail.

I've read 5 books by this Author and she does not disappoint. Her books are so insightful with unexpected twists and turns, you yearn to know more so you keep on reading. Just when you think you have it figured out, she throws in a curve ball. Her books are not preachy, but good clean Christian fiction well thought out. She develops her characters well. A must read!!!

This book was so inspiring for me and to me. As always LaShonda members disappoints. Thank you for letting God use you as his vessel. That Avery though sure was mess.

It is not a habit of mine to give a 5 star rating but this piece of work deserves every star. Lashonda Bowman's writing held me hostage. I could not put this book down from the moment I purchased it (8pm) to the moment I read last page (6am the next morning yes and I had to go on to work the next day). This book highlighted issue that plague the church today. It shows how easily people talk about situations without knowing the whole story and the consequences of gossip (Holy Spirit convicted me while reading). Man I cant wait to see what else Lashonda comes up with.

Wonderful book about the pain and sorrow caused by keeping secrets. But it's still the truth that sets us free from all types of bondage, especially bitterness and resentment. I loved the thought-provoking questions that Ms. Bowman had at the end of the story.

Really enjoyed the read, although it took awhile for the story lines to pick up. Ms. LaShonda is very talented in presenting scenes that really draw a picture, and evoke lots of emotion. Looking forward to the next book! Be blessed!
