Customer Reviews

Oh yes, I did laugh out loud any number of time while reading this. It is a very quick read of some hilarious text mail that auto corrected. It makes so glad that I do not text (by choice) so that I would not embarrass myself like these people did. Especially the ones sent to dear Dad. Must read if you text.

As a therapist, I believe in the need to laugh...often. This book is just hilarious!! If you are feeling down, I would highly recommend reading a few of these and you will be laughing in no time!! It is sometimes hard to find something that will make you laugh out loud. This definitely will do the trick!!

Humongous! Laughed my bass off the whore time I wad breeding it. Wound defiantly recommendations it to everyman. Mack sure to shower it whit mom.

Funniest stuff ever!

What you would expect. Lots of laughs.

ROTFL

The only way I can get to go know how what you are not in my life is so cute

Another quickie book of never fail laughs. Some duds, a few repeats, but guaranteed smiles.
